

Dear parents,

I recommend that your child reviews the following books and pages to get ready for the assessments:

**MATHS:**

Arithmetic Monday 25<sup>th</sup> November 08:40: your child will be asked to solve different equations, such as additions, subtractions, multiplications and divisions. They will also have to solve mathematical problems and understand the Mathematical vocabulary.

For this they will need to know their 2, 3, 4, 5, 8 and 10 times tables.

Reasoning Wednesday 27<sup>th</sup> November 08:40: your child will be asked to solve problems involving time, mass, right angles, fractions and graph reading. We have been working on these concepts through the whole term. These are included in their Collins Busy Ants Maths Pupil book unit 1 (number and place value) unit 2 (number – fractions, measurement), unit 3 (geometry) and unit 4 (measurement – time).

**LITERACY:**

Reading comprehension Wednesday 27<sup>th</sup> November 10:50: your child will be given a short story that includes vocabulary that they should know. They will be given some questions about the text to answer. We have been practicing this kind of activity in school. If you would wish to practice at home, I recommend that they read a story and you give them easy specific questions about the story (who is....?, what did...do?, why....?).

SPAG Tuesday 26<sup>th</sup> November 08:40: your child will be tested on their SPAG skills. The questions will come from their Vocabulary, Grammar and Punctuation skills book  
VOCABULARY: units 3, 4 and 5 – GRAMMAR: units 1, 2, 3 and 4. They will also be tested on capital letters, full stops, nouns, adjectives, verbs and punctuation marks (?, !) and sentence structure. From their SPELLING book units 4, 5, 6, 7 and 8 (prefixes),

SPELLING TEST Monday 25<sup>th</sup> November 10:50: they will have a spelling test including 25 of the 50 words that they have been given to practice at home. The words will be from the weekly spelling test that they have had during the whole term.

**SPANISH:** The Spanish assessments will be on Monday 25<sup>th</sup> and Tuesday 26<sup>th</sup>.

Miss Dunn
