

Year 2

English:

- Labelling Diagrams
- Progress Checks
- Final chapter of Harry Potter
- Comprehension worksheets.

Maths

- How to find a third, half and quarter of numbers and shapes

Science:

- Material Properties- Testing Strengths

History:

- Great Fire of London Counting in 10's

Next week we will be starting new units in all subjects. We will be talking about feelings and emotions in English, sorting things into categories in Maths, and learning about Space in Geography and Science.

Keep up the good work everyone!
