

Dear Year 3 parents,

These are the topics that we have been working on during this week:

- **Maths:** adding and subtracting mentally, column addition and subtraction, problem solving and multiplication using partitioning.
- **English:** reading comprehension, writing questions, extended vocabulary (rally races).
Grammar: capital letters.
Spelling: /s/ sound spelt sc.

The topics that we will be seeing next week will be:

- **Maths:** multiplication: introducing the expanded written method and solving problems.
- **English:** use of nouns and numbers. Understanding and finding information and detail.
Grammar: apostrophes of possession
Spellings: /ay/sound spelt ei, eigh and ey.

Miss Dunn.
