

Nursery Summary (18th to 22nd of May)

In Literacy we have been learning about the sound 'x'. We have been doing several pencil control sheets and writing our own 'x'.

In Maths, I have been doing individual assessments with the children.

Our focused activity continues with 'Under the Sea'. The children have drawn and coloured some fantastic sea creatures, writing the name underneath.

Next Week

We will be learning the 'qu' sound in Literacy. In Maths we will be learning about positions.
