

Dear Year 3 parents,

These are the topics that we have been working on during this week:

- **Maths:** column addition and subtraction. Telling the time: analogue and digital.
- **English:** SPELLING: spelling test and homophones. READING AND WRITING: reading and writing. Sing comparative and superlative forms. Sequence information, using “before and after”. Express opinions; use of persuasive language.
- **Geography:** Scotland: landscape, weather, transport and settlement. Edinburgh.
- **Science:** materials and properties review

Miss Dunn
