14th December 2020

Groups: Early Years / Primary

Subject: Christmas Jumper Day and end of 1st term

Dear Parents,

On Friday 18th December we are going to celebrate Christmas Jumper Day. On this day the students will be allowed to wear a Christmas Jumper (not compulsory) with their normal uniform instead of their school jumper, cardigan or P.E. jacket.

Due to the current situation **Santa Claus** will not be able to visit the children in School. However, on Friday 18th he will walk by the school where the Early Years and Primary children will gather outside to see him (following Covid protocol) and we will collect the children's letters to Santa. Please try to ensure that your child does not miss it.

Each year we choose a worthy cause to support at this time of year. This year we have chosen to support the Granja Escuela Sol del Camp in Agost. As many of you will know we regularly visit the farm during our school excursions – a location which is very popular with our students. Unfortunately, due to the Covid situation, the Farm has been unable to host School visits and therefore they now find themselves in the position where they are finding it difficult to maintain the care and attention they provide for the animals. For this reason, we are asking those of you who would like to collaborate to make a small donation (in a sealed envelope) to help with the maintenance of the Granja Escuela Sol del Camp. These donations will be collected in School on Friday 18th December. Thanking you in advance for your collaboration.

We would like to remind you that this first term will be finish on Tuesday 22nd December at 12:00, and the new term will start on Thursday 7th January 2021.

Finally, we take this opportunity to thank all the teachers and staff of The English School, as well as all the students and their families, for the great work they are doing in these very difficult times that we are living. Their awareness, patience and responsibility have made it possible to have passed these first months without any mishap related to the Covid Virus that has prevented the normal functioning of classes. May we continue like this until the end of the school year! We wish you now more than ever good health, a Merry Christmas and all the best for the New Year.

Kind regards,

The English School
